

TEDxFoggyBottom 2022: Re[Verb]

Videography

1. 5 O'Clock Media
 - a. Three cameras being brought in by videography
 - i. Two operated cameras
 - ii. One still camera

Projection

1. One screen for back of stage
2. Projector that can be connected to our team's computers

Production

1. Table "backstage" with five seats and room for computers
2. Green room for speakers to prepare/get ready before talk
3. One microphone for speaker on stage
4. Confidence monitor onstage for speaker
5. Slide remote

Team

1. One table in the back of audience area for social team
2. Aisle in center of audience for team photographers

Space

We are hoping to use the floor seating space with chairs set up on either side of a center aisle. We plan to have the stage facing away from the tabernacle club on the West side of the court.
